Positie ca. 51-21,20 N 003-31,00 E.

**DREDGING OPERATIONS**

Dredging operations will be taking place throughout the Westerschelde. The dredged material will be deposited on or near the edges of drying areas. A pontoon will be anchored in these areas and will be moved as necessary. Its mooring ground tackle will be marked by yellow buoys. Contact VTS Scheldemond for further details.
